ART UNIT 3727

EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

The application has been amended as follows:

In claim 13, line 1, "12" has been changed to ---1---.

In claim 14, line 1, "12" has been changed to ---1---.

2. The above changes are made since claim 12 was cancelled. In view of the amendment to claim 1 to incorporate the limitations of claim 12, it was felt that the intended dependency of claims 13 and 14 is claim 1. However, if this is incorrect, the Examiner should be contacted as soon as possible so that appropriate correction can be made.
